Re: Automobile accident between [REDACTED]
and Government Vehicle

FOIAb6

Dear Mr. Keating:

Enclosed are three (3) estimates of repairs for the Agency vehicle damaged in the accident on 10 May 1955. The lowest estimate is \$52.50. Please disregard estimates for repairs of damage not resulting from this accident. Two of the garages made the extra estimates on the same forms.

Very truly yours,

25X1A9a
